EL SHADDAI – THE MUSICAL

Why after all these thousands of years is God broadcasting this most ancient name? Could it be that the ultimate purpose of His covenant with man is upon us?

To Abraham He calls himself El Shaddai. (Genesis 17:1)

El Shaddai- A Hebrew word meaning “God Almighty”, all powerful. The name refers to the nurturing, all providing nature of God. It expresses that He is the Promise giver and the promise keeper. The covenant God. The very name also declares God’s ethical commands (walk blameless before Me) to Abraham and to us. It is a loving and tender name by which He has described Himself.

To Moses He calls Himself Yahweh. (Exodus 3:14, 15)

Yahweh – A Hebrew word meaning Lord. Also translated I am who I am. Jehovah is often used instead of, but referring to, Yahweh. God uses this name not only to say that He sees, hears, remembers and knows, as is inherent in El Shaddai, but that He will come down to deliver and be with His people. He rolls up His sleeves and becomes actively involved in the deliverance of His children.

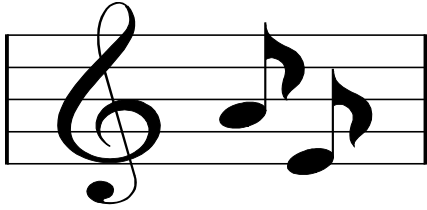

To Mary He reveals Himself as Y’Shua. (Luke 1:31)

Y’Shua – The Hebrew word for Jesus, the Savior. The one through whose death and resurrection prevents us from missing the true end and scope of life (which is God).

El Shaddai – Gave us a command to be righteous.

Yahweh – Gave us guidelines (the law) by which we can become righteous.

Y’Shua – Through His life, death and resurrection becomes our righteousness. What we could not attain through the law, we find freely given through the blood sacrifice of Y’Shua, our Lord and our Christ.
